

SAVE THE DATE: FRIDAY, AUGUST 5, 2022, at BSC

Blackbeard Sailing Club is proud to announce that we have secured the date with Olympic gold medal winner Anna Tunnicliffe for her arrival and power point presentation at BSC.

Anna, Coach Glenn and Heather French will be with the ETYSA and Epiphany School sailing kids on Friday afternoon. These kids will be experienced and in the "intermediate" and "advanced" groups. This will possibly be on the water.

On Friday evening, for the adults, all the sail camp kids and grandkids, Anna will share her progression of sailing experiences from Junior sail camps, competitive high school and college racing to gold medal Olympic champion in laser radials in 2008 Beijing, China, and winning the "Sailing World" gold cup in 2009 and again in 2011. Her list of world championships and medals is impressive, and we are so grateful to have her here as our guest speaker at BSC.

Do not miss out on this event in the clubhouse!
